basalt 15 x 12 x 6 inches

WINGED HEAD 2022  
black limestone 13 x 18 x 12 inches

To see LISE BECU's stone carvings of humans and animals is to enter into a dream realm where the psyche takes hold of reality. Her sensual, spare, figurative forms evolve from found stones in ways that seem inevitable. She is an intuitive artist who delves deep into her sub-conscious for the stuff of universal myth.
