ÉTUDE #9 2022 relief ink on paper 22 x 18 inches

ÉTUDES

When the large format pieces I was working on were completed at the end of 2021, I turned to the opposite end of the spectrum and set up the challenge to work in a highly reduced format. Just as with musical études where the intent is to enhance specific skills, I headed into these to sharpen color and design concepts and to openly embrace where the work itself might lead me.
