CHICKAWAUKIE LANDING watercolor 4 1/2 x 7 inches

SMALL OBSERVATIONS

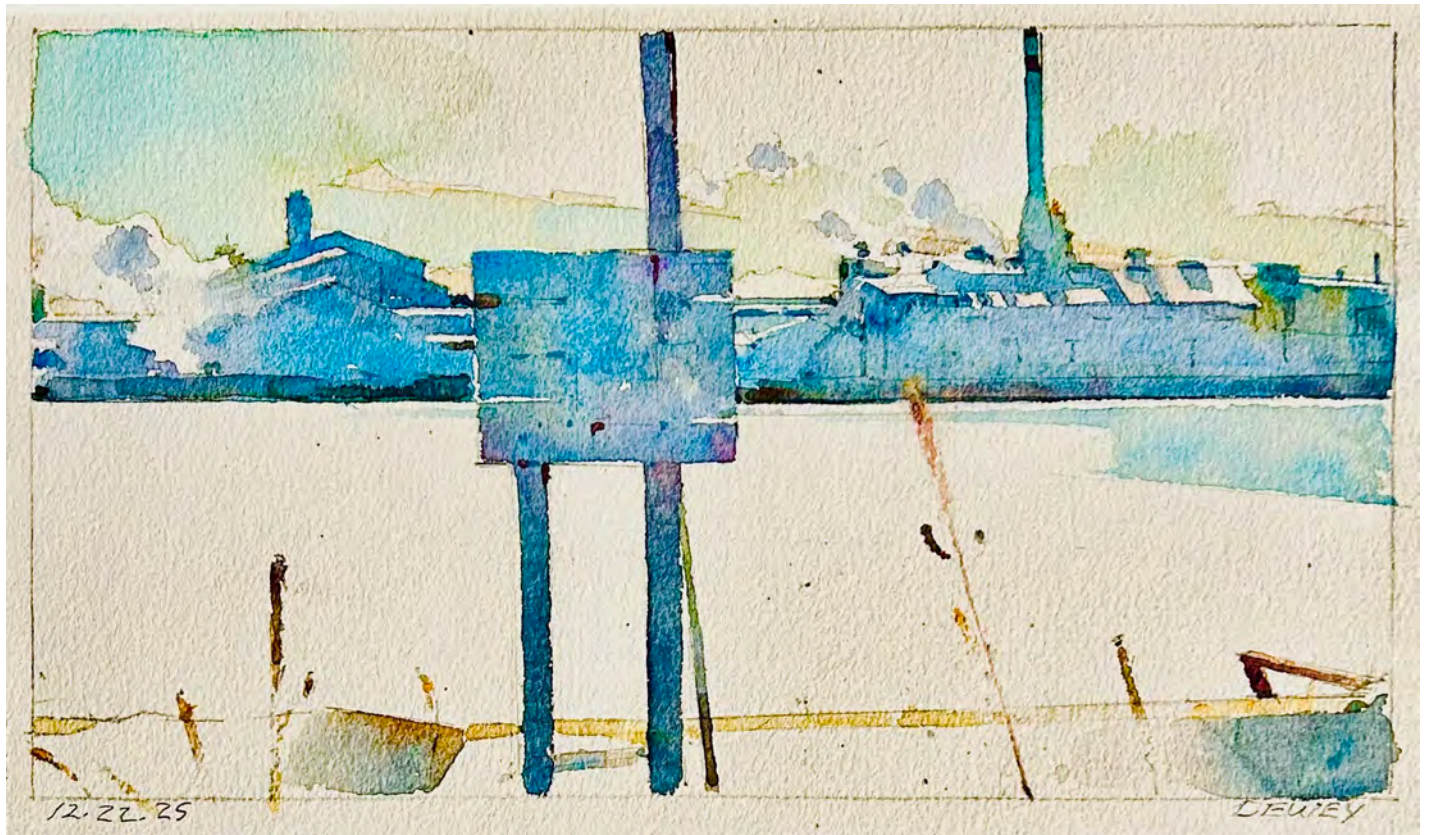

As a painter, I've always been an observer through the influence of the European and American open air masters.

When painting outdoors, the portable convenience of the watercolor medium allows me to respond to subjects as if a camera snapshot.

I begin a watercolor by anchoring its early stages to the paper's whiteness to establish a sense of completeness; it all proceeds from there.
